

SANKOFU

Not much to report on the dog showing side except that 'DERMOT' Delwins Aint No Saint at Sankofu achieved a respectable 3rd place in Open Dog at Crufts 2016!

However after a lifestyle change and a big move to the lovely North Wiltshire countryside 2 years ago from Surrey after 30 years other things have taken a back seat. Also the lovely occurrence of 2 grandchildren within that time has also refocused my attention! What can I say!!

Summer (daughter of Dermot)

Dermot on the beach

I do hope however that with the 4 Pekingese I still have that there may be possibilities for the future. It has been great to represent and promote the breed in other ways, for example at the Excel Centre London Discover Dogs and also as a dog handler supporting artist role in a forthcoming film about Show Dogs.

I was also honoured to steward at a recent Breed club show as well as judge Pekingese classes at the Wealdstone and Northolt Canine Society. There has never been the time before with showing, breeding etc.
