The dogs have not been exhibited since August 2015 and will not be shown competitively till 2017. However, in November of 2016, I decided to show 'Hedley' in the Baby Puppy Classes at the two day, back to back International Ch'ship shows hosted by the IKC. He made a memorable debut, when on day one, Hedley Lamarr won Best Baby Puppy In Show All Breeds. and then returned next day to finish Res Best Baby Puppy In Show All Breeds. What a great start!

Trendylook is the most accomplished Pekingese kennel under the Jurisdiction of the Irish Kennel Club since the IKC was founded in 1922. There have been a record number of Champions and Group winners bred and owned, and a record four different All Br Ch. Best In Show Winners handled to the Top spot.

The subject of Irish Pekingese History is a rather complex one and care should be taken by those who attempt to write about it to get their facts correct, and refrain from making sweeping statements based on bias and total ignorance.
